

## Pet Correspondence

Our pups have such busy and active social calendars; it's amazing they don't need personal assistants to stay on top of everything.

With the **Pet Set** Stationary Line, you can help your canine companion voice his or her opinions or reply to the next doggie gathering.

The elegant cards and stationary line are beautifully illustrated and feature an array of breeds to choose from.

The Pet Set offers Correspondence Cards for all occasions or Ensemble Sets such as the Thank You Set designed specifically to let your pup's vet, groomer and dog walker know they are appreciated.

Today's featured pup is Johann, a 2 year old doggie from Carmel, Indiana owned by Leslie. Visit Johann's blog at [The Dog Blog](#) and his store at [Johann The Dog](#).
